

Homebrewers Of Peoria – November 11, 2020 Business Meeting

Meetings continue to be held online.

Beer Education

- Presentation given by Mark Schwarz from Omega Yeast. Topic: Kveik followed by general Q&A.

Old Business

- Zoom Pro subscription obtained for club business. Will Baar to submit an invoice for reimbursement from club funds.

New Business

- Club beer swap scheduled for 12/16 18:00. Venue not discussed, presume to be Peoria Friar Tuck parking lot as with previous exchanges.
- December club beer education suspended. Alternate discussion topic proposed: "Style Spotlight – Holiday Beers" Bring a style or specific beer you enjoy in the winter month and discuss it.
- Club Social 11/25: No official gathering recommended. Fox Pub proposed as potential ad hoc location.
- Officer Nominations: Our bylaws require officer nominations in November for election in January. Considering the circumstances and low attendance, Noelle proposed postponing electing new officers and implementing new policy to handle office vacancy. This would require a bylaws amendment. Will Baar to submit new amendment to that effect for consideration during the December 2020 meeting. All current officers are formally renominated in compliance with bylaws, but we plan to approve the new amendment (pending December review) at the January 2021 meeting prior to actual election.
